Statement of intent

This policy sets out the framework for ensuring that the decisions and decision-making processes at Hampton St Mary Academy Trust are, and are seen to be, free from personal bias and do not unfairly favour any individual or company connected with the trust.

Hampton St Mary Academy Trust is a Company limited by Guarantee,
registered in England, Number 07956455;
Registered Office London Diocesan House, 36 Causton Street, London, SW1P 4AU.

Governors of the trust have an obligation to act in the best interests of the trust and in accordance with its Articles of Association in order to avoid situations where there may be a potential conflict of interest.

Situations may arise where family interests or loyalties conflict with those of the trust. They may create problems as they can inhibit free discussions, result in decisions or actions that are not in the interests of the trust and risk the impression that the trust has acted improperly.

Hampton St Mary Academy Trust therefore intends to:

- Ensure that every Governor understands what constitutes a conflict of interest and that they have a responsibility to identify and declare any conflicts that might arise.
- Record the conflict and the actions taken to ensure that the conflict does not affect the decision-making of Hampton St Mary Academy Trust.

Hampton St Mary Academy Trust will abide by the contents of the Academies Financial Handbook and have due regard for the Seven Principles of Public Life as defined by the Committee for Principles in Public Life. The trust will ensure the auditors, both internal and external, are committed to work with these documents in relation to their work with the trust.

1. Legal framework

This policy takes its legal framework from the following legislation and statutory guidance:

- Companies Act 2006
- Conflicts of Interest: A Guide for Charity Trustees.

2. Definition

Hampton St Mary Academy Trust adopts the definition of the Charity Commission, which states that a conflict of interest is any situation where a Governor's personal interests or loyalties could, or could be seen, to prevent them from making a decision in the best interests of the trust or academy.

3. Identifying conflicts of interest

3.1 Hampton St Mary Academy Trust expects individual Governors to be able to identify any conflicts of interest at an early stage.

3.2 Individual Governors who fail to identify and declare any conflicts of interest will also fail to comply with their personal legal responsibility to avoid conflicts of interest and act only in the best interest of the trust and its students.

3.3 The trust must ensure that any conflicts of interest do not prevent them from making a decision only in the best interests of the trust and its students.

4. Articles of Association

The Articles of Association (Para 98) state:

Hampton St Mary Academy Trust is a Company limited by Guarantee,
registered in England, Number 07956455;
Registered Office London Diocesan House, 36 Causton Street, London, SW1P 4AU.

CONFLICTS OF INTEREST

98. Any Governor who has or can have any direct or indirect duty or personal interest (including but not limited to any Personal Financial Interest) which conflicts or may conflict with his duties as a Governor shall disclose that fact to the Governors as soon as he becomes aware of it. A Governor must absent himself from any discussions of the Governors in which it is possible that a conflict will arise between his duty to act solely in the interests of the Academy Trust and any duty or personal interest (including but not limited to any Personal Financial Interest).

99. For the purpose of Article 98, a Governor has a Personal Financial Interest in the employment or remuneration of, or the provision of any other benefit to, that Governor as permitted by and as defined by articles 6.5-6.10 (see separate Appendix A).

5. Interests which should be declared

Governors will be expected to declare the following interests when relevant:

- Holding another public office.
- Being an employee, director, advisor or partner of another business or organisation.
- Pursuing a business opportunity.
- Being a member of a club, society or association.
- Having a professional or legal obligation to someone else.
- Having a beneficial interest in a trust.
- Owning or occupying a piece of land.
- Owning shares or some other investment or asset.
- Having received a gift, hospitality, or other benefit from someone / an organisation.
- Owing a debt to someone / an organisation.
- Holding or expressing strong political or personal views that may indicate prejudice or pre-determination for or against a person or issue.
- Being a spouse, partner, relative or close friend of someone who has one of these interests.

6. Governor benefits

- 6.1 Governors can only benefit from the trust where there is an explicit authority in place in the trust's governing document before any decision conferring the Governors' benefit is made.
- 6.2 Governor benefits include any payments or benefits to Governors or a connected person, apart from their reasonable out of pocket expenses. They also cover situations where a Governor could receive property, loans, goods or services from the trust.
- 6.3 Where there is a proposed sale or lease of academy land to a Governor, or to a person or company closely connected with a Governor, this will need to be authorised by the EFA, even if the disposal is at full market value.
- 6.4 The payment of reasonable expenses to Governors is not a benefit, so it does not create a conflict of interest or require authorisation.

7. Register of interests

- 7.1 Governors will keep an updated record of any conflicts of interest in the academy trust's register of interests, which is maintained by the Clerk to Governors.

8. Declaring interests

- 8.1 Governors should have a standard agenda item at the beginning of each meeting to declare any actual or potential conflicts of interest.
- 8.2 Governors should declare any interest which s/he has in an item to be discussed, at the earliest possible opportunity and before any discussion of the item itself.
- 8.3 If a Governor is uncertain whether or not s/he is conflicted, s/he should declare the issue and discuss it with the other Governors.
- 8.4 If a Governor is aware of an undeclared conflict of interest affecting another Governor then s/he should notify the other Governors or the Chair.

9. Removing conflicts of interest

- 9.1 Governors must consider the conflict of interest so that any potential effect on decision-making is eliminated.
- 9.2 Governors must follow any legal or governing document requirements on how a conflict of interest must be handled, but may, in serious cases, decide that removing the conflict of interest itself is the most effective way of preventing it from affecting their decision-making. Serious conflicts of interest include, but are not limited to, those which:
 - Are so acute and extensive that the Governors are unable to make their decisions in the best interest of the trust/academy and its pupils/students, or could be seen to be unable to do so.
 - Are present in significant or high-risk decisions of the Governors.
 - Mean that effective decision-making is regularly undermined or cannot be managed in accordance with the required or best practice approach.
 - Are associated with inappropriate Governor benefit.

10. Withdrawing from decision-making

- 10.1 Where there is a proposed financial transaction between a Governor and the academy trust or any transaction of arrangement involving Governors' benefit:
 - 10.1.1. The benefit must be authorised in advance by the Local Governing Board or Resources Committee. If there is no meeting of the local governing board planned within the time frame of authorisation being required, then the Chair of the Resources Committee and one other Resources Committee Governor will be contacted to authorise the benefit. If the person affected is the Chair of the Resources Committee then the Chair of Governors plus one other Governor must authorise the benefit. If the person affected is the Chair of Governors, then three Governors must authorise the benefit.
 - 10.1.2. The Local Governing Board expects the affected Governor(s) to be absent from any part of any meeting where the issue is discussed or decided.
 - 10.1.3 The affected individual should not vote or be counted in deciding whether a meeting is quorate.
- 10.2. Where there is a conflict of loyalty and the affected Governor(s) does not stand to gain any benefit and there are no specific governing documents or legal provisions about how the conflict of loyalty should be handled, the affected Governor(s) should still declare the interest.

10.2.1 The remainder of the Governors of the local governing board must then decide what level of participation, if any, is acceptable on the part of the conflicted Governor(s). The options might include, but are not limited to, deciding whether the conflicted Governor:

- Having registered and fully declared the interest, can otherwise participate in the decision;
- Can stay in the meetings where the decision is discussed and made, but not participate;
- Should withdraw from the decision-making process in the way described above.

10.4 In deciding which course of action to take regarding a conflict of interest, Governors:

10.4.1 Must always make their decisions only in the best interest of the Trust and its students.

10.4.2 Should always protect the reputation of the trust and be aware of the impression that their actions and decisions may have on those outside.

10.4.3 Should always be able to demonstrate that they have made decisions in the best interests of the trust and its students, and independently of any competing interest.

10.4.4 Should require the withdrawal of the affected Governor(s) from any decisions where the Governor's other interest is relevant to a high risk or controversial Governors' decision or could, or be seen to, significantly affect the Governor's decision-making at the trust.

10.4.5 Can allow a Governor to participate where the existence of his/her other interest poses a low risk to decision-making in the interests of the trust or is likely to have only an insignificant bearing on his/her approach to an issue.

10.4.6 Should be aware that the presence of a conflicted Governor(s) can affect trust between Governors, could inhibit free discussion, and might influence decision-making in some way.

10.5 Governors can, before their discussion, ask a Governor who is withdrawing, to provide any information necessary to help make the decision in the best interests of the trust and its students.

11. Records of proceedings

Governors should record in the minutes, details of any and all discussions on potential conflicts of interests and the decisions made.

12. Confidentiality

Governors cannot use information obtained at the trust for their own benefit or that of another organisation if it has been obtained in confidence or has special value such as commercial sensitivity.

13. Monitoring and enforcement

13.1 The Governors of Hampton St Mary Academy Trust and its local governing board will carry out continuous monitoring of activities to ensure that any conflicts of interest are identified and mitigated as soon as possible.

13.2 Governors who fail to declare an interest and are found to be in conflict with the best

interests of the trust will be expected to explain to the local governing board his/her reasons for their omission.

- 13.3 Under the power vested in turn by S186 of the Companies Act 2006, Governors may decide to terminate the office of the relevant Governor if s/he is found to have knowingly and deliberately failed to declare an interest and has brought the trust into disrepute.
- 13.4 In the case of a staff or parent Governor, the members of the local governing board will hold a vote of no confidence in that Governor and seek to suspend the staff/parent Governor from future meetings.

14. Policy circulation

- 14.1 This policy will be circulated to all Governors annually.
- 14.2 This policy will be available on the website of the academy trust.
