Spring Term

Dear Parents,

What a lovely and thought-provoking Sharing Assembly we had on the last day of term in church – Thank you to Rev. Winterburn for making us feel so welcome.

We remain very grateful once again to Mr Malam – Headteacher of Twickenham Prep School for taking the children by mini-bus to the church.

We hope you are enjoying a restful & relaxing time over this holiday and as we look forward to the new half term, there is much to fit in; our next school trip on the Friday we return and then Easter activities throughout with a special Easter lunch for the children on the 28th, followed later that day with a Sharing assembly & Easter Bonnet Parade – get creating!

Best Wishes to you & your families
Staff@ StMary's

- Please keep a watch-ful eye on the children's beans & encourage them to complete the bean-diary weeks 3 & 4 (with your assistance) . They should be bought back to school on the first day back – hopefully still alive!

A friendly request – the morning routine & schedule is very important for the children; short messages are OK ,but if you would like to discuss a matter in more detail, then you can see Miss Apicella after school or make an appointment via Mrs Parker

Please be reminded that the last day of term is 22 July & the 1st day of term is 8 September. Please keep this in mind when booking holidays. We are closely monitored as a school and holidays taken before the 22 July & after 8 September will be usually unauthorised.
