

Maths – Multiplication and Division, Discrete and Continuous Data

We are learning to:

- Understand and use distributive law.
- Use place value to calculate mentally and use formal written method to multiply two and three-digits numbers by one-digit numbers.
- Solve, compare, calculate, interpret and present data using appropriate graphical methods.
- Understand line graphs.

Science – Animals and their Habitats

We are learning to:

- Group vertebrates and invertebrates in a range of ways using a classification key.
- Recognise environmental dangers to animals living in a water based habitat.

R.E – What do Christians mean by peace at Christmas?

We are learning to:

- Investigate what peace is and how it might be the same and different for religious people.
- Describe what we learn about peace from the bible.

Computing – Rivers

We are learning to:

- Use google maps to explore rivers in our local area and track them from source to mouth.
- Use power point to create a presentation about rivers.

P.E – Rugby/Hip hop dance

We are learning to:

- Develop dance skills, focussing on hip hop.
- Learn to pass a ball, defend and score within the competitive sport of rugby.

English – Rivers information text

We are learning to:

Writing

- Use the features of information texts to write our own information page.
- Write a persuasive argument about reducing the pollution in our oceans.
- Explain

Punctuation and Grammar

- Use sophisticated conjunctions to join sentences.
- Use paragraphs effectively to organise our writing within non-fiction writing.

Reading

- Apply their growing knowledge of root words, prefixes and suffixes to reading.
- Discuss words and phrases that capture the reader's imagination.
- Draw inferences such as inferring characters' feelings, thoughts and motives from their actions.

Raging Rivers

Autumn 2 2018

CURRICULUM MAP

Year Four Rome Class

Our Big Question: Why is it important to protect rivers?

Art – Rivers

We are learning to:

- Use observational drawing techniques to draw animals that live in a river habitat.

Music

- Listen with attention to detail and recall sounds with increasing aural memory.
- Develop an understanding of the history of music.

PSHCE – Anti-bullying

We are learning to:

- Understand what it means to respect people in our community.

Geography – The journey of a river

We are learning to:

- Understand and describe the key aspects of rivers.
- Use atlases, globes and digital/computer mapping to locate rivers in our local area.
- Understand and describe the process of the water cycle.

Provisional Trips and Events

21st – 23rd November – Sayers Croft
