

Mathematics – Graphs, Addition and Subtraction word problems, Time, Multiplication and Division

We are learning to:

- Tell time using half past/to, quarter past/to
- Solve problems involving + and -.
- Collect and organise data using a tally chart, pictogram and block chart and interpret the information.
- Explore different methods for multiplication and division including arrays, repeated addition and mental methods for the 2, 5 and 10 times tables.

Science – Survival and Healthy Eating

We are learning to:

- Identify a range of animals in Antarctica and describe how they are suited to their habitat.
- Describe the importance of eating the right amount of different types of food.
- Select food to make a healthy sandwich.

R.E – Ten Commandments and Christmas

We are learning to:

- Find out about the Ten Commandments and explore how they affect how Christians live their lives.
- Understand why light is important at Christmas and in other festivals of light such as Hannukah.

Computing – We are Programmers

We are learning to:

- Devising algorithms to follow a specified route
- Using Beebots

P.E – Football and apparatus

We are learning to:

- Control a ball whilst dribbling and passing to a partner.
- Take part in a simple points scoring game against one another.
- Working on balance and travelling on small apparatus

English – Survival and 'The Great Explorer'

We are learning to:

Writing

- Create a survival guide for future explorers.
- Work as a class to make an information book about Antarctic animals.
- Write a diary entry from Captain Falcon Scott.
- Writing based on The Lion the Witch and the Wardrobe

Punctuation, Grammar and Spelling

- Identify and use subordinating and coordinating conjunctions e.g. and, but, so, because.
- Continue to ensure capital letters and full stops are in the right place.
- Use of apostrophes for contractions and possession.

Reading

- Accurately read most common exception words and words with common suffixes.
- Respond to and perform poetry based on 'Frozen Planet' theme.
- Continue to practise answering questions in a written reading comprehension style.

Frozen Planet

Autumn 2 2019

Year Two Paris Class

Our Big Question: Why did Captain Scott choose to explore the Antarctic?

French – Getting to know you

We are learning to:

- Know the days of the week
- How to see what the weather is like today
- Know the names of some of the animals

History – Captain Falcon Scott

We are learning to:

- Compare historic explorers to modern day explorers
- Find out about the life of Captain Falcon Scott and his discoveries in Antarctica
- Ask and answer historical questions using secondary sources e.g. photos, diary entries, videos.

Art

We are learning to:

- Create artwork based on the Northern lights using colours and shapes.
- Cold colour art
- Silhouettes and sunsets

Music -

- Learning and performing a range of songs for our Christmas Nativity

Provisional Trips and Events

Year 1 and 2 Nativity - 12.12.19
