

Maths

We shall be learning to count to 10 and form numbers!

We shall then be learning the following skills...

Addition and Subtraction within 6

Combination and partitioning. Explore and represent addition and subtraction. Explore the concept of zero.

Measures: Length

Estimate, compare and explore the weight, capacity, size and length of everyday objects. Use everyday language to talk about capacity, weight and size.

Shape and Sorting

Explore, describe and sort 3-D shapes. Use mathematical language to describe position.

Calendar and Time

Explore days of the weeks, seasons and time. Ordinal language when sequencing events. Measure short periods of time in simple ways.

London Class are learning about ... People Who Help Us!

Communication & Language

- We shall discuss what a super hero is and build upon our inference and predicting skills when listening to superhero stories. They will also be anticipating what happens next.
- The children will be acting out parts of Supertato to build upon expression and language building.
- We shall also read stories about **“People who help us”**

Physical Development

How do Superhero's stay healthy?

- In theme with Supertato, the children will learn about the importance of a healthy diet and exercise and its impact on the body.
- The children will be negotiating space effectively by adjusting their speed, changing direction, balancing and looking out for others.

Understanding the World

- Using the iPad we shall design our own superhero
- We shall continue to use the iPad for our maths learning.
- We shall be looking into the lives of the people who help us.
- We shall continue learning about Diwali and learn about the Nativity Story and where in the world it is set.
- We shall discuss what we would like to do when we grow up.

Literacy

- Continue to learn Set 1 RWI sounds and practise writing these letters to form words.
- To become confident individuals when writing.
- We shall learn how to hold a pencil
- We shall be learning to read “cvc” 3 letter words
- Use vocabulary from Supertato to draw and write speech bubbles for the characters in the story.
- Enjoy a range of books to develop language development.
- Encouraging the children to write/mark make for different forms.
- To introduce rhyme and alliteration.

Personal, Social & Emotional Development

- What are Superheros?
- We shall talk about our own behaviour and its consequences.
- How do we look after ourselves and our environment
- Who helps us when need support?
- How can we help others?
- We shall have a visit from a real life superhero (firefighter) we shall prepare some questions we would like to ask them. (Focus on How, When, Why questions for language development)

Expressive Arts & Design

- We shall be finishing our clay Diwali lamps
- Use vegetables to print and make patterns.
- Make masks and props of the characters from Supertato
- Decorate and add to the Tesco Role play area.
- **Begin practising for our CHRISTMAS NATIVITY**
