

St Mary's Hampton Sports Premium Strategy, 2017-2018

Sports Premium **Impact Statement**

The Sports Premium is an annual amount allocated to schools from central government to promote teaching and learning in PE and Sport in Primary schools. St Mary's receives £16,400 annually for this purpose.

Schools must spend the funding to improve the quality of the PE and sport activities they offer their pupils, but they are free to choose the best way of using the money.

For example, it is recommended that funding can be used to:

- hire specialist PE teachers
- hire qualified sports coaches to work with teachers
- provide existing staff with teaching resources to help them teach PE and sport
- support and involve the least active children by running or extending school sports clubs
- run sport competitions or increase pupils' participation in sports
- run sports activities with other schools

In 2017-18, at St Mary's Hampton, we intend to spend the funding in the following ways:

Use of funding	How it supports learning	Approx. cost	Intended impact Impact
