

Autumn

For Harvest this year, we raised money for the Christian Aid appeal.

Harvest prayer space in Year 2.

2022-23 Aims:

- To develop Prayer Spaces in classrooms
- To ensure that class teachers are confident with the content of the RE curriculum for their year group
- To ensure that RE displays are purposeful and linked to the current RE topic - with vocabulary on display

In December, Reception and KS1 learned about the Christmas story and performed Nativities for their families.

James said 'I liked learning the songs because they told the story of Christmas.'

We also walked to St. Mary's Church for a special Christmas service.

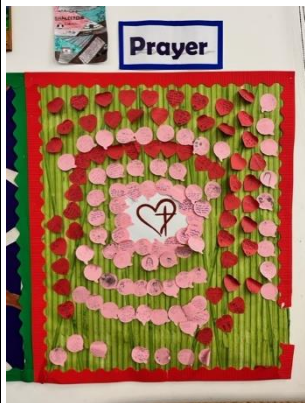

Spring

Year 4 learned and performed a superb play which brought the Easter story to life. We walked down to St. Mary's Church for the Easter Service.

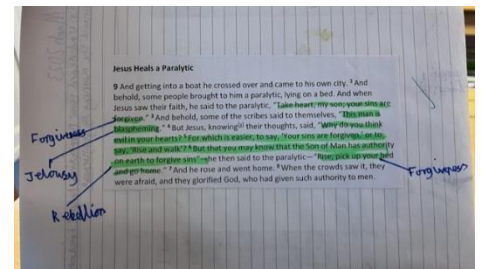

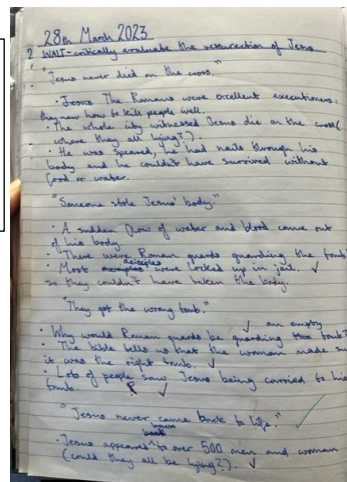

Grace said 'I know so much more about the Easter story now we have watched Year 4 do their show.'

A critical evaluation of the crucifixion in Year 6

Year 6 explored passages from the Bible, identifying the feelings and emotions

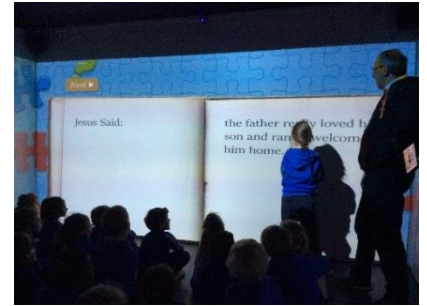

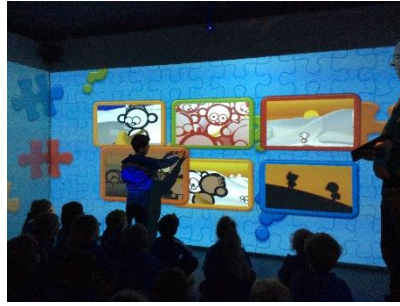

In Collective Worship, we focused on people in our lives who we are thankful for.

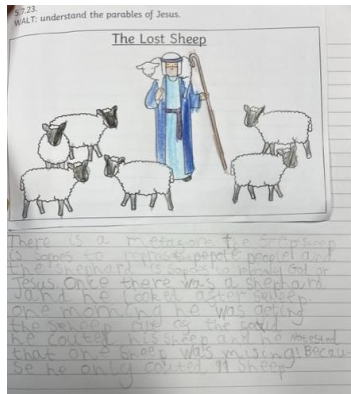

Summer

The whole school enjoyed the RE bus which came to our school for a week. Each class had two sessions, looking at a different theme. Year 2 explored the miracles of Jesus.

Joseph said 'I really liked the RE bus. I learned stories about Jesus.'

Year 1 learned about parables. Sofia said 'The sheep in this parable are a metaphor. They represent people. God is the shepherd. When people are lost, they have come away from God.'

Progress against priorities - suggested new aims for next year.

- Continue to develop prayer spaces, using flipchart paper to record vocabulary and key information for our working walls.
- To roll out an assessment tool which will help teachers to assess the children.
- To monitor the teaching and learning of RE through book looks and learning walks.
