

Home School agreement (2026-27)

'And now these three remain: faith, hope, and love. But the greatest of these is love.'
Corinthians 13:13

At St Mary's Hampton, our vision is rooted in the values of faith, hope, and love. We strive to nurture a community where every child feels supported, valued, and inspired to reach their full potential. Through faith, we encourage trust and resilience; through hope, we foster aspiration and perseverance; and through love, we build a compassionate and inclusive environment where everyone belongs. Together, these values guide us in creating a school where every child flourishes.

At our school, we

work in partnership with families to help every child grow into a confident, curious and resilient learner. Guided by our Christian values of faith, hope and love, we create a happy and inclusive community where children feel safe, valued and inspired to do their best. We encourage pupils to work hard, treat others with kindness and respect, and face challenges with courage and optimism. Together, we nurture positive attitudes to learning, strong relationships and a sense of responsibility, empowering every child to make a meaningful contribution to their community and the wider world.

The purpose of the Home School agreement is to aid the partnership between school and our families in order to maximise the opportunities for learning and development for each of our children, and the wellbeing of all children and staff in our care.
